

Pepsee Sealer

Pedal Operated Pepsee Tubing Cut & Sealer

Pepsee Sealer

Liquid filled tubing

Pepsee Length Adjustable
Guide Tray

Foot Press (Pedal)

Moosh has been Manufacturing Pepsee Sealers since last 20 years.

This is a Pedal Operated Sealer.
Process to Operated this machine is as follow :

- Fill the flavored liquid into Plastic Tubing. (About 4-5 mtr Length)
- Set the Desired Length on the 'Size Adjustable Guide tray' provided in the machine.
- Keep the tubing between the sealing Jaw and Press the Pedal.
- Machine cuts and seals the tubing at the same time and thus gives you Leak proof final product.
