Hand Operated 8 / 12 inches Sealers

Moosh Quality Impulse sealers are No.1 quality sealers in India.

Makes excellent Air & Water tight seals on materials like P.P., L.D., H.M., H.D.

Moosh sealers come with different Sealing widths like 1.5mm, 3mm, 5mm sealing. A wider seal means a better seal. So if seal integrity is very important to you, choose a sealing machine with at least a 5mm wide seal. A good example would be a food application where you need an air tight or liquid tight seal.
